

## Strength With Independence®

**INTERSECURITIES, INC. (ISI) IS A FULL-SERVICE, FULLY** licensed, independent broker/dealer and Registered Investment Advisor. ISI handles more than \$14 Billion in customer assets with over 1,500 Registered Representatives serving clients nationwide.

For over 20 years ISI has been helping financial professionals and clients achieve their goals.

ISI is built on a foundation of personalized business support, technology, and independence. What sets ISI apart is our dedication and compassion when it comes to supporting the entrepreneurial spirit of independent financial professionals.

From this foundation, programs and services have been constructed for our representatives that are unique in today's broker/dealer market.

ISI is large enough to provide full service and support, yet small enough to enable Representatives to develop lasting relationships with key decision makers.

For over 20 years ISI has been helping financial professionals and clients achieve their goals.

Our business is helping you grow your business.
